

Homework assigned on 29-Aug-09

Derive the III/1 (Third person singular) causative forms of dhatus in any gana – follow the process followed to derive the forms of 10<sup>th</sup> Gana dhatus i.e. apply the vriddhi and guna rules, add the ङ्, then treat the result as if it is a new 1<sup>st</sup> gana dhatu. Note that for 10<sup>th</sup> gana the forms in causative will be same as the regular 10<sup>th</sup> gana forms.

Review the last few panini classes (2:30PM) thoroughly. Try to get familiar with the इत् rules covered towards end of the class.
